

Marshall-Putnam Soil and Water Conservation District - Plant Sale

Due to COVID-19, we are unable to have the traditional plant/tree sales. You may place your orders and pay for them through the district, for district pricing. However, pick-up is done by you. You will need to make the scenic trip up to Winding Creek Nursery in Millbrook, IL.

Arrangements will be made through the district if you have a large order. Otherwise, you can go up at your leisure to pick up. We hope the Spring will be a normal sale, but we thank you for your patience in this uncertain time.
